

Second Grade News

Conestoga Elementary School - May 22, 2013

School: 872-9535

Mrs. Brooks - ext. 3514

Email: - michelle.brooks@pennmanor.net

Here's What's Happening in 2nd Grade . . .

Spelling: Our last spelling list will focus on the sound of /all/ as in ball. The final test will be May 29th.

Grammar: We will practice the different rules for adding suffixes (ed, ing) to the end of base words. Next week we will discuss synonyms and antonyms.

Reading: We did not have reading groups this week due to an assembly and Olympic Day. The next story in our anthology is a non-fiction piece on rock collecting. Guided reading groups will soon be ending. The last few weeks of school we will read from our class anthology book and we will be doing reader's theater groups.

Writing: This week we will be starting a writing project for someone special in our family. We will save it for a special day in June.

Math: We are starting Chapter 14- multiplication and division readiness.

Social Studies: This week we will begin a short unit on the United States symbols - the flag, the Statue of Liberty, the Bald Eagle, The Washington Monument, and The Liberty Bell.
