

2022 August Cross Country Schedule

The following schedule begins with our first official practice on Monday, August 15th and continues through Friday, August 26th. After that, I will post practice schedules on a weekly basis. Please remember that once school begins on August 29th, our practice times will switch from 3:15-5:00 and at that point, we will add Saturday morning runs back into the schedule. We are aware that some families have children on the Jr. High team as well, so understand you are making multiple drop offs. Thank you and GO COMETS!!!
