
Dr. Jennifer Sugra, Principal

Dear 6th Grade Families,

Every year, the Penn Manor Elementary School Counselors provide a program on Sexual Harassment Prevention for the sixth grade students. We use an age-appropriate video for teaching purposes entitled, "Flirting or Hurting: When Is It Okay, When Is It Harassment?" which is produced by Human Relations Media. Our Assistant Superintendent, Dr. Egan, has approved this video.

During the presentation, we will be discussing the definition of sexual harassment as well as exploring the Penn Manor School District Board Policy and reporting procedures. Students will learn the differences between sexual harassment and flirting. We will also be learning the steps to take when responding to a sexual harassment incident.

The schedule for the 6th grade classes at Martic is as follows:

Mrs. Fafel: *Wednesday, October 18, 2023*

Mr. Polaski: *Monday, October 16, 2023.*

If you would like your child to be excluded from the presentation, please notify me **in writing** no later than the morning of your child's program.

Sincerely,

Mrs. Kimberly Juba, School Counselor
