

2022 August Cross Country Schedule

The following schedule begins with our first official practice on Monday, August 15th and continues through Friday, August 26th. Please remember that once school begins on August 29th, our practice times will switch from 3:00-4:45. We are aware that some families have children on the Varsity team as well, so understand you are making multiple drop offs. Thank you and GO COMETS!!!
