Thanks to the generous support of the community, registration is \$25 and financial assistance is available. Call the Pathways Center to request camp applications or visit [www.pathwaysthroughgrief.org](http://www.pathwaysthroughgrief.org). **Applications must be received by April 22, 2022.** Registration fees are nonrefundable as of May 13, 2022.

## Our Goal

Our focus is on helping children explore their feelings, develop coping skills and build self-confidence. This goal is achieved through fun-filled activities and opportunities for small- and large-group sharing. The experience allows children to understand that their feelings are normal as they get to know others who have also lost a loved one.

## The Staff

The camp is staffed by professional counselors and specially-trained volunteers who are paired with each child for companionship, support and supervision all weekend. A camp nurse is available throughout the weekend.
