PM Theatre Opportunities

Penn Manor Productions

PMP is the school district organization that oversees the mainstage productions each year at the HS. We typically present a fall play in November, and a spring musical in March. Our theatre program is hands-on - where students work on every aspect of the production under the supervision of the adults who are members of the Production Staff.

International Thespian Society - Troupe #274

ITS has two "faces" at PMHS - the Thespian club meets every week during homeroom period on Thursdays, and the official troupe that is a subdivision of the Educational Theatre Association. (www.edta.org)

Any student with an interest in theatre may apply to join our club. Activities include Spookhouse, TOTS-EAT food drive, attending the state conference, and a spring children's show.

Student who participate in theatre also have their involvement tracked - and may qualify to become Inducted Thespians, if they choose. This is an honor, and is meant to recognize those who do theatre well.

Applause!!

This is the parent booster group that contributes to all theatre activities at PM. We have meetings once a month, that last for NO more than ONE hour.
