

Penn Manor Thespians Troupe #274 and Aavidum present

# The Locker Next 2 Mine

## by Jonathan Dorf

For mature audiences

It's tough being a mid-year arrival in your junior year of high school. To make matters worse for Alisa, her locker is next to this sprawling shrine for a female lacrosse player who died in an auto accident. While the popular "M Squad" leads a school that is in a state of non-stop remembrance for Beth, Alisa is just trying to eke out enough space to get to her books. But her efforts to find breathing room lead her to discover that there was another passing that no one is talking about, and it's left many of the school's students trying to pick up their own pieces. When she connects with Brady, former student TV reporter who infamously had a meltdown in the middle of a broadcast, can they help the community take its first steps toward healing? A play about teen suicide and dealing with loss.

**Following each performance, there will be a brief talk-back session about Aavidum and to hear directly from the playwright, Jonathan Dorf. Please plan to stay for information about Aavidum's message and how it connects to the message of this play.**

**All seats are reserved on a first-come basis.** Anyone wishing to be seated together should order tickets on the same form, naming one person as a main contact. We will do our best to accommodate requests for seats in a specific location - you may indicate any preferences below. **Why order tickets in advance?** You'll reserve your seats - since all tickets reflect assigned seats in the auditorium. You'll also save time - by not having to wait in ticket lines on show nights.

Advance ticket orders will be processed immediately upon receipt, so the "best" seats will be reserved early. Pre-purchased tickets may be picked up in the lobby on show nights - there will be a separate area for "tickets on hold." PMHS students may stop by room 209 to pick up their tickets in person anytime during the school day. Doors will open for seating 30 minutes prior to showtime.
