<u>WIZARD OF OZ</u> CALL BACK LIST

This list below represents people that we'd like to do more singing and scene work before making final casting decisions. If your name appears below, you must attend the callback session on Tuesday from 3-5 pm.

EVERYONE who auditioned should come to the dance auditions on Monday evening 6-8 pm -this session will help us make final decisions for the ensemble cast list, featured dancers, etc.

EVERYONE who auditioned still has a chance to be in our cast - we will use the time next week to see a bit more from you all.

TO PREPARE FOR CALLBACKS:

Check online (Moodle & Google classroom) for the music and scene work that you should prepare for Tuesday's callback session. This will be available over the weekend. We will list titles of songs asap - but we'll need a bit more time to upload the files.
