

On

The

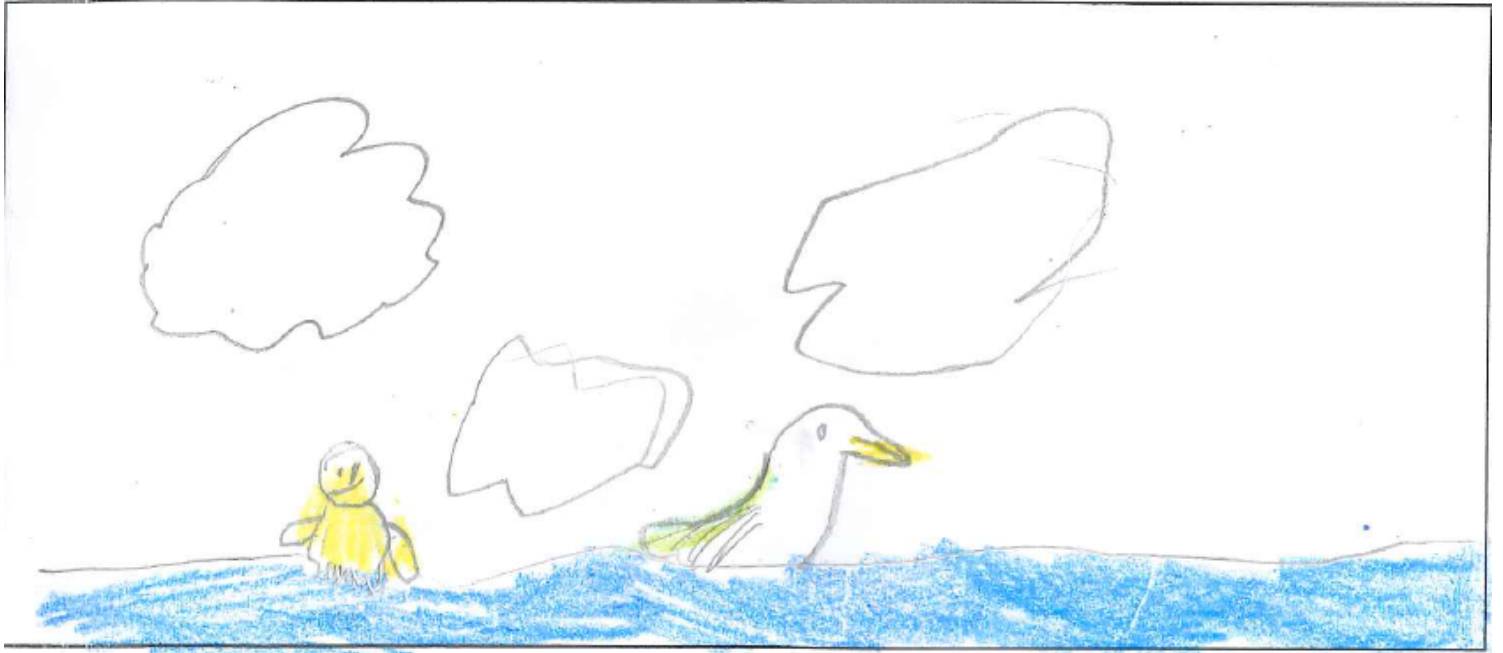

Farm

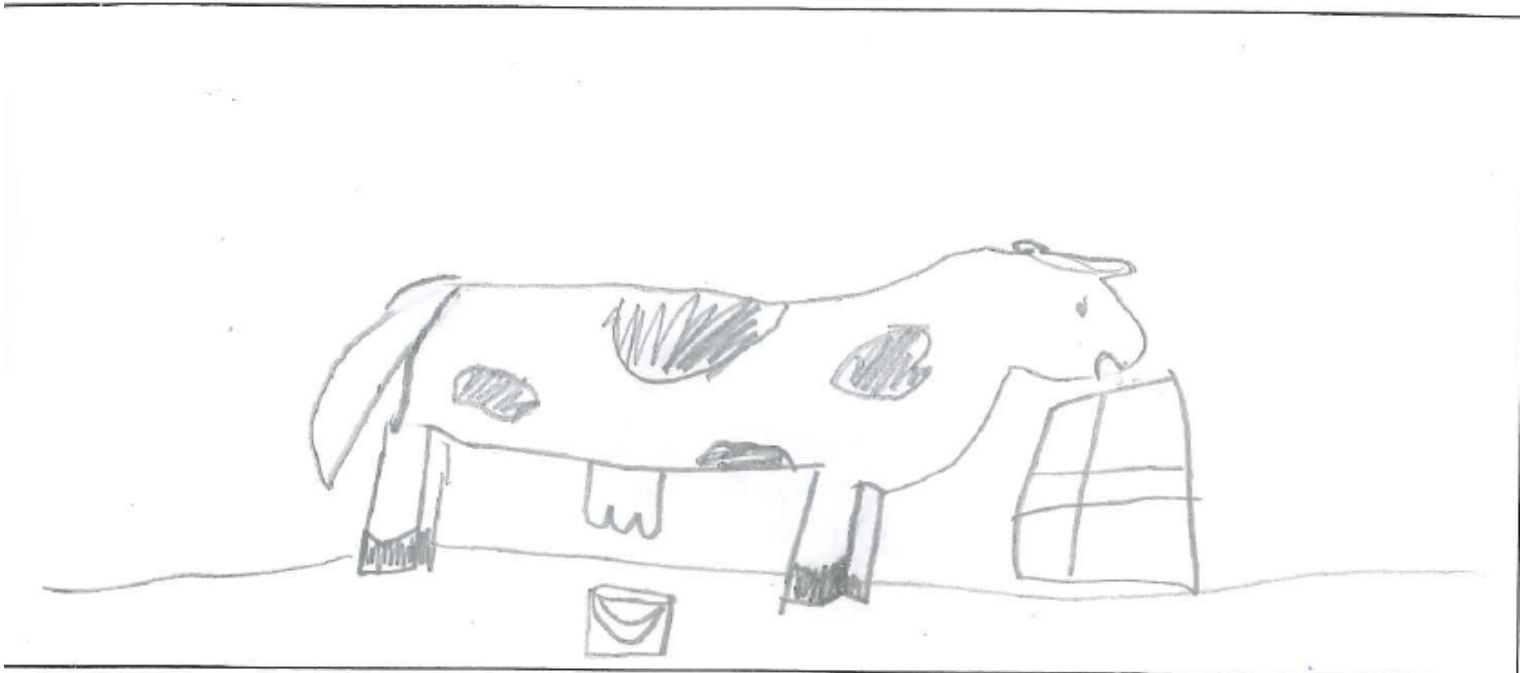

By: Abigail Karlow

There was a sheep.
The sheep was eating
and it was good. The
sheep really liked it.

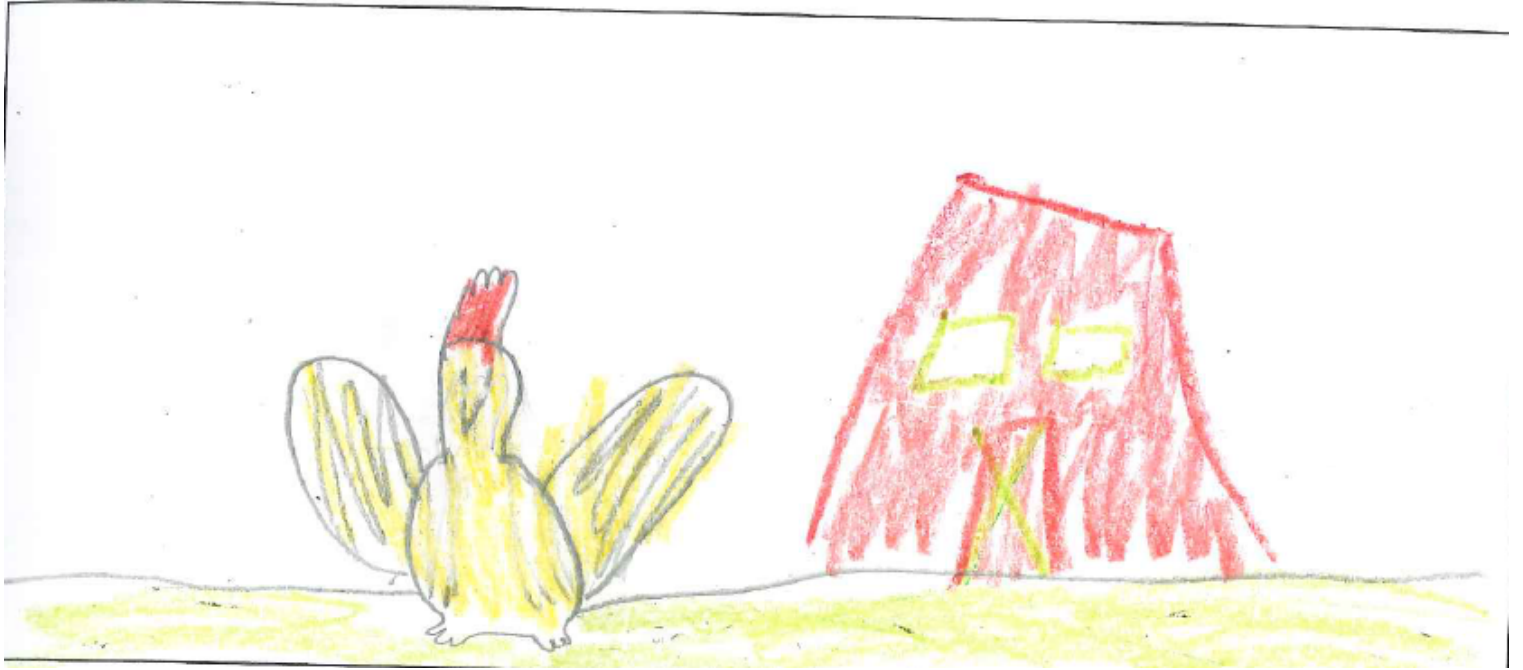

This is a baby chick.
It follows its mom. It
also swims with mom
too.

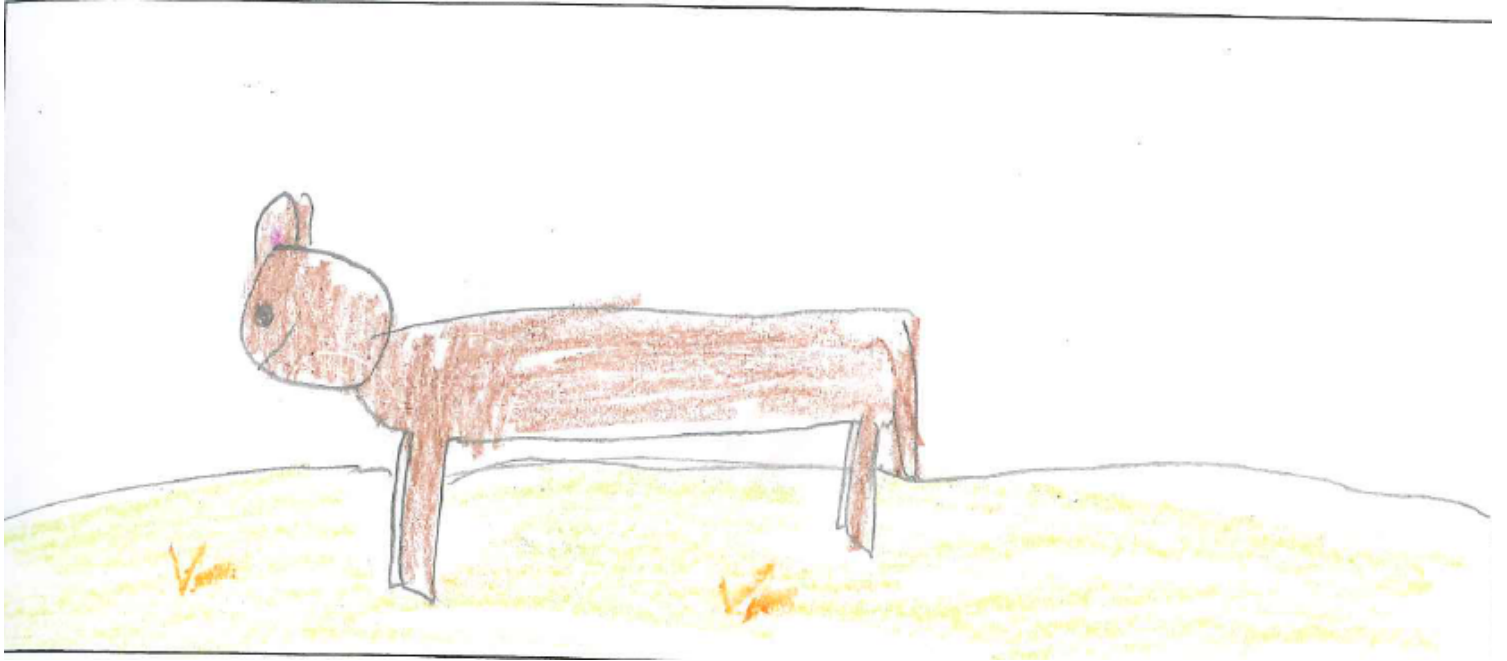

This is a cow. The
farmer is going to
milk the cow. Here is
the bucket.

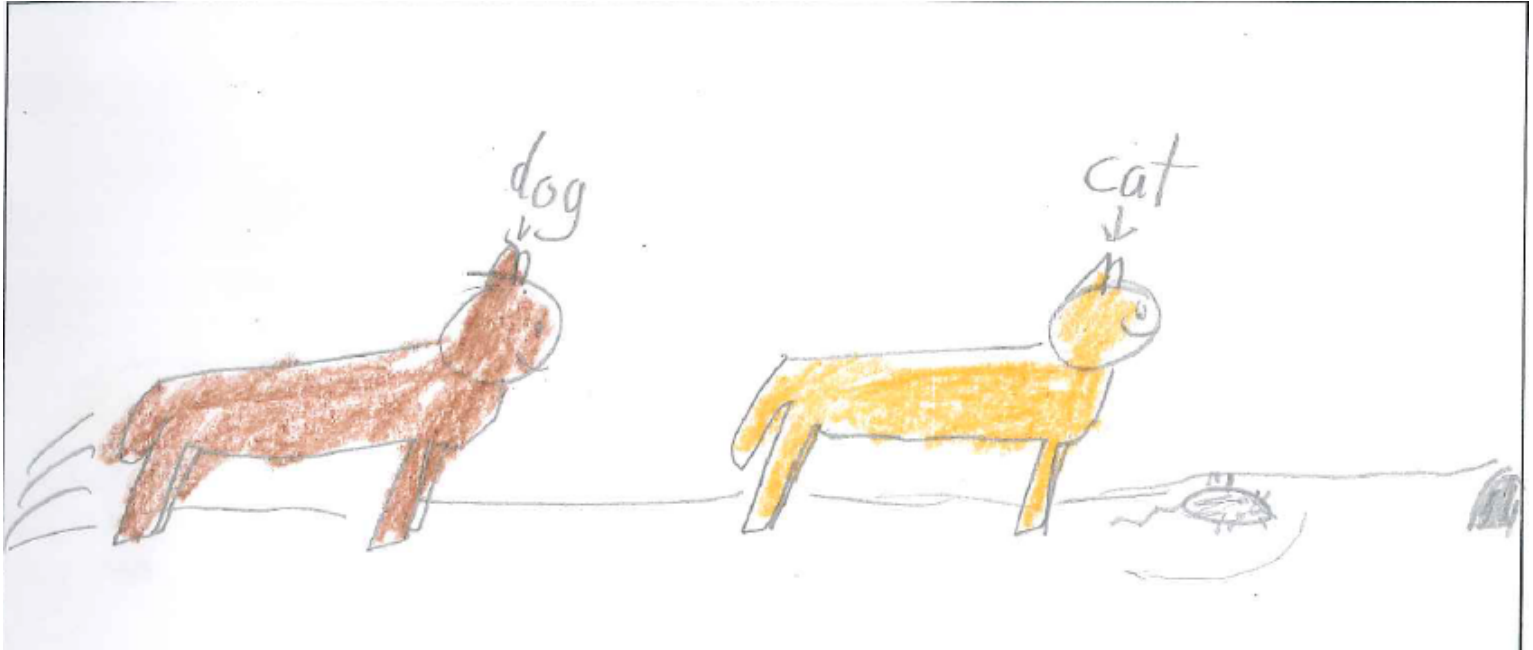

This is a horse.
Somebody was riding
the horse and it was
really fun. He was
having a great time.

This is a chick. It is
trying to fly like the
others but it cannot
fly.

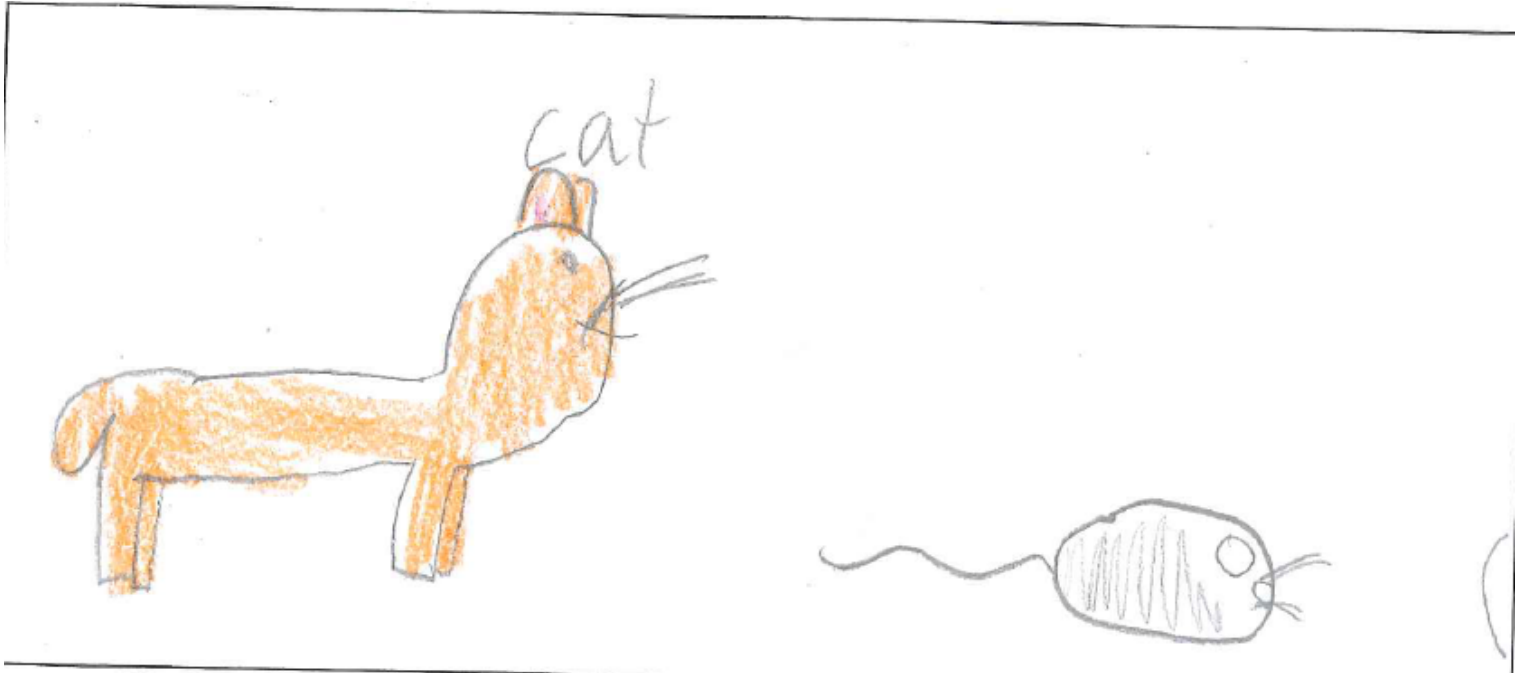

This is a dog. The dog
chases the cat on the
next page. The dog is
going to eat it. The
cat's home is now the
dog.

Here is the cat and
the dog again. The
cat is going to get
eaten now.

Aaaaaaaaaaaaaaaaaah!

Help me! I am going
to get eaten. I have to
go. Bye!
