it. I like watching him. He likes
when I watch him.

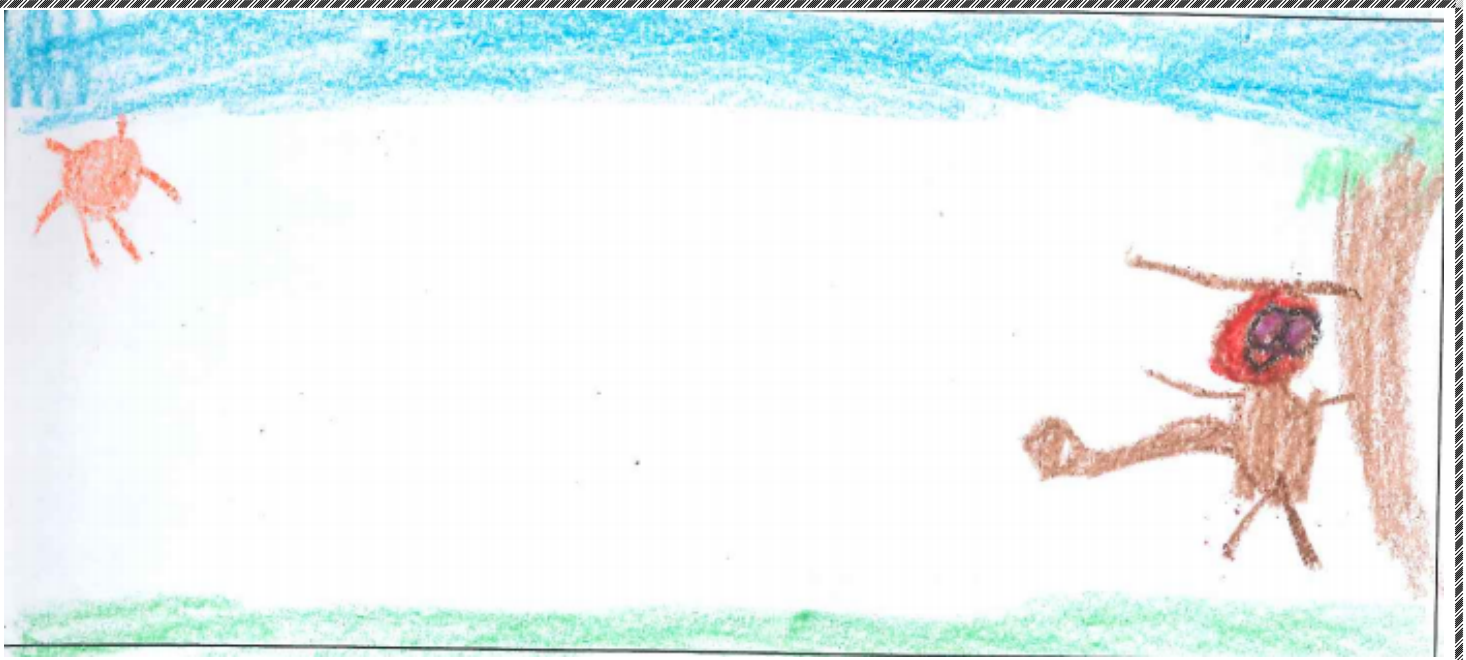

The giraffe is walking. He likes
to walk. He looks for stuff and
he saw an animal.

The lion is roaring really loud. I
don't like it because it scares
me!

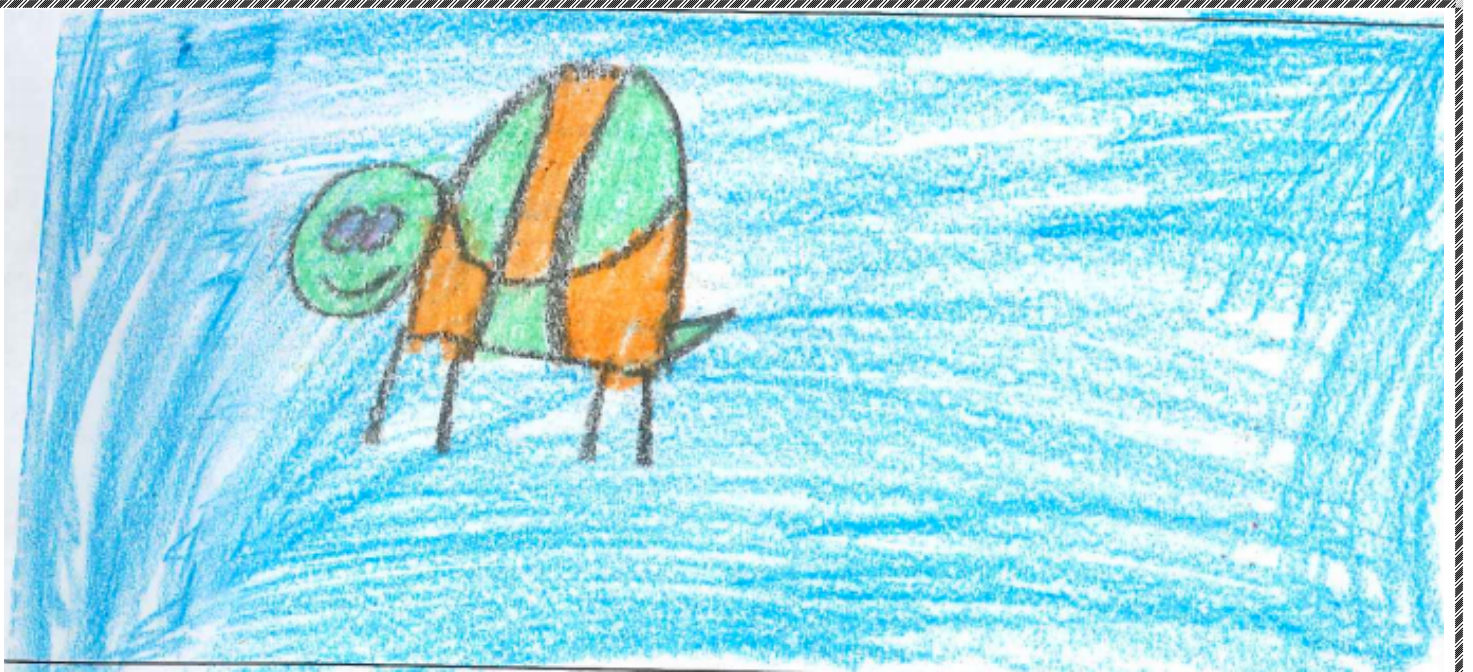

This elephant is wagging his trunk
and I am watching him. He is
happy.

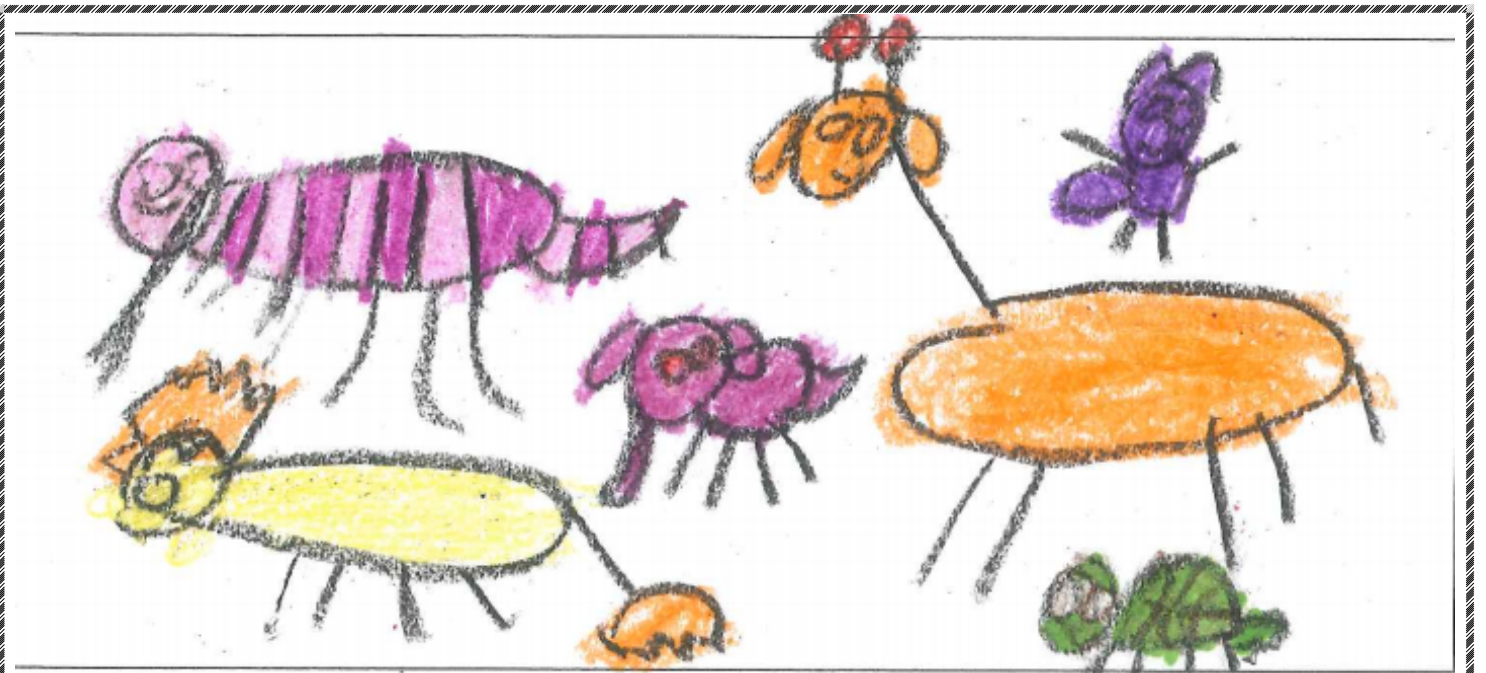

The monkey is making a sound
and the sound that he is making
is a crazy sound.

Ooooooooooaaaaa!

The turtle is swimming and he
likes to swim. I am watching
him.

I like to watch animals at
the zoo.
