

A large, multi-story red brick building with a prominent tower on the left side. The tower has a dark roof with red tiles and arched windows. The main building has many windows, some with white frames and shutters. There are green trees in the foreground and background, and a blue sky with white clouds. A black metal fence with a chain is visible in the lower right foreground.

Penn Manor High School

Preparation for Education Day

October 15, 2015

TIMELINE

A close-up photograph of a stained glass window. The central focus is the Millersville University crest, which is circular and features a central lamp of knowledge. The word "MILLERSVILLE" is arched across the top. Below the lamp, the Latin motto "FIAT LUX" is visible, and a shield with the letters "SNS" is positioned at the bottom. The crest is surrounded by a laurel wreath. The background of the window consists of various geometric and floral patterns in shades of blue, yellow, and white.
