Post-Secondary Exploration

for 10th-12th support students

Pre-registration is encouraged.

Contact Mrs. Wagner to register by March 1st, 2016

Interested in the MILITARY? Please make sure you are registered for the ASVAB test in March. See Mr. Yearsley in guidance.

Lancaster County Job Panels:

The panels will be held for the following occupations, because it is difficult to shadow due to safety, confidentiality, and child abuse clearances concerns. The Lancaster County Workforce Investment Board has arranged job shadowing panels, where a group of industry professionals meet with interested students in grades 8-12 to share their experiences and answer questions about their occupations. If interested contact Mrs. Wagner or Job Trainer, Mrs. Harnish ASAP.
