

Growing Leaders | Building Communities

This after-school, community-based program is geared toward youth in grades 6-12 who want to make a difference in their communities.

Ubuntu Leaders in Lancaster (ULL) invites you to meet with peers who are interested in developing leadership skills and taking an active role in creating the world you imagine.

We at ULL believe in a youth led movement that changes things locally and globally. Are you interested in being part of that movement?

Join us to start the journey of creating positive social change and becoming leaders within your community!

Day/Time: Mondays from 4:00-5:30pm; first night is September 26, 2016

Location: Ware Center, 42 N. Prince Street, Lancaster.

 *To embrace Ubuntu means to interact with others and do for others in a way that benefits the community.*
