

Understanding your PSAT Score Report.

Learn how to use the personalized planning kit to explore your report, study different study plans, and to discover majors, colleges, and career options.

Dig Deeper a Closer Look at your PSAT scores

PSAT full report online: studentscores.collegeboard.org

Log in into your collegboard account. If you do not have an account you will need to create one. Some of you may have already claimed your scores if not you will need to enter your access code which can be found on the front cover of the paper copy of your score report.

-Click on *My Online Score Report*. This PSAT Score Report explains each score you received on the reading/writing, mathematics sections of the PSAT. The *Your Skills* tab helps you to identify the skills you need to work on to improve your college readiness and your SAT scores. You can select a specific score to review the questions you answered incorrectly, and what that means. The *Your Answers* will display if your answers were correct or not, the difficulty of it, and the skill that it requires.

What do the color ranges mean?
