

**Start thinking about your future with our**

# **Long-Term Career Exposure Activity**

Explore different career options online through our extensive 6-week program! Participating students will earn certificates after each course completion in their chosen career pathway program.

## **Eight career pathways available:**

- **Accounting**
- **Administrative Assistant**
- **Building Trades**
- **Cosmetology**
- **Drafting and Design Technology**
- **Early Childhood Education**
- **Electronics**
- **Healthcare**

Program held on the following platforms:  
Metrix Online Learning, Google Classroom and Edge Factor

In addition to career path specific courses offered through Metrix Online Learning, students will also have assignments on financial literacy, career and interest assessments, resume creation and critique, and business engagement panels.

## **Earn up to \$600 for completion of all events and activities!**

This program is available to Lancaster County residents between the ages of 16-24.
