

## High School Summer Programming

### *New Medical Terminology Course*

June 27, 2022 - August 5, 2022

Wednesdays from 5:30 pm to 7:30 pm

For rising 11th to 12th graders  
& 2022 graduating seniors

This summer, learn how to correctly spell, pronounce and use medical terms that will set the framework for every medical career. Our Learner Support team will help ensure your success in the course by teaching you study tips every Wednesday night!

Dual Enrollment course cost is \$314, which is 50% off our normal tuition rate. Use the code **DUAL22** to waive the application fee.

### *Health Care Exploration Camp*

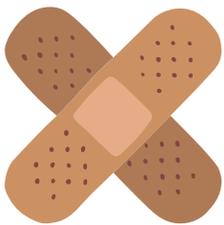

June 27, 2022 - June 30, 2022

For rising 10th to 12th graders

Choose a morning or afternoon section  
9:00 am to 12:00 pm  
1:00 pm to 4:00 pm

See how your passion for helping people can translate into a rewarding career in health care! Our camp curriculum includes hands-on labs and health care simulations. Health care topics include lessons in suturing, wound care, dissecting a brain, how to read blood pressure, assessing the safety of a clinical room, inserting an IV, and completing a physical assessment.

The cost is \$199.99 per student.
