

**COLLEGE AND CAREER
INSTITUTE**

Come Experience the College and Career Readiness Program

JUNE 11-14, 2023

What Can be Gained by Participating?

- There is more than one path that leads to a fulfilling future. Participants will learn to write their own stories.
- Change can be messy and scary. Participants will learn to navigate change confidently with a trusted support system.
- Rather than focus on skill-specific development, the Institute emphasizes holistic development, participants demonstrate flexibility and resilience in their life path.

Who is Eligible to Participate?

- Ages 18-23
- Pennsylvania residents
- Out of state applicants enrolled in post-High School education or employed in PA

What Will Participants Experience on Site?

- Professionally constructed curriculum aimed at self-discovery, experiential learning, holistic development, and relationship building
- 5:1 participant to facilitator ratio
- Individualized coaching
- [TruMotivate](https://trumotivate.com) Assessment (trumotivate.com) and personalized results
- Diverse facilitation staff spanning various education and career pathways

**Come join for
focused, creative
fun!**

We believe an individual's true readiness for higher education or career is directly related to an intentional authorship of their past,

present, and future story, the quality of their relationships, and their ability to demonstrate resilience in the face of change.
