

**HIGH SCHOOL
STUDENTS**

Wednesday-Thursday-Friday, June 14-15-16, 2023
9:00 am - 1:30 pm

Join the A-TEAM!

(AVIATION - Technicians, Engineers, Aviators, and Mechanics)

**We are looking for high school students who want
to explore exciting careers in aviation.**

This industry is welcoming the next generation of skilled young persons who will use science, technology, engineering, and math in aviation. This growing sector offers challenging and well-paid careers for pilots, mechanics, engineers, air traffic controllers, and many others.

At our A-TEAM summer camp, students will enjoy a unique hands-on experience at Lancaster Airport, hosted by EMU at Lancaster, Aero-Tech Services, Inc., and the Lancaster STEM Alliance and the Steinman Foundation.
