

Millersville University and Penn Manor High School Business Early Enrollment Interest Form

Millersville University and Penn Manor High School are excited to offer a pilot Early Enrollment program (See attached Flyer) and are seeking interested students who have met the requirements. Interested students who meet the requirements will form a cohort group and take one course per semester during their 11th and 12th-grade years.

In order to participate, students must have completed related courses at Penn Manor. Courses that are identified as related currently include:

Exploring Technology <i>(9th-grade Experiencing Tech*)</i>	Accounting 1
Product Design	Accounting 2
CS: Creating and Making	Marketing and Advertising
CS: Communicating and Connecting	Entrepreneurship
AP CS Principles	International Business & Investing
Honors Engineering Principles <i>(Engineering Seminar*)</i>	Agribusiness & Leadership
Music Technology: Creating & Producing	Intro. to Business (Virtual)
Introduction to Web Development (virtual)	Personal Finance (Virtual)

*former names

Note: Electives offered with Honors Weight are also eligible

For rising 11th-grade & 12th-grade (Class of 2024 & 2025) students who wish to enroll in the Early Enrollment program for 2023-2024 School Year, need to have completed two (2) of the classes listed above before starting the program and must take two (2) additional courses from the list to remain in the program.

Effective July 1, 2024, students shall have successfully completed at least 4 of the related courses before enrolling in the Early Enrollment Program.

To be eligible for this opportunity, students must have mostly College Prep or higher courses or have administrative/counseling approval after submitting the interest form.

Please return this form if you are interested in learning more about this Early Enrollment opportunity.
