

Most of our clients are referred to us through the Solanco Food Bank and the Martic Pantry. However, our focus is to help those in need within our service area. Approved clients are given a card which states they are eligible to return in 8 weeks or later as they have need. Their continued eligibility is verified by presenting the card on their return visit.

We will review each new client's information and approve them for return visits. If they live outside our service area or are not approved we will contact a church in their area to connect with them.

If you or someone you know is in need of these services please contact us and we will mail you an application.

Kitchen Cupboard

*"To be the hands and feet of
Jesus in the community."*

Ways to get involved:

1. Pray over the needs of the community and ask the Lord to lead, guide, and direct us in meeting the physical and spiritual needs of our clients.
2. Give of your time and volunteer to help staff the Kitchen Cupboard when it is open.
3. Donate items to the Kitchen Cupboard from the list provided in this brochure.
4. Give monetarily to help us purchase what is needed. We have volunteers that do the shopping each week restocking the needed items to fill our shelves.
